MEMORIAL METHODIST CHURCH ACTIVITIES

Last Tuesday, Nov. 21st., was another historic day in the life of Memorial Methodist Church, when the workmen raised the steeple of the New Church Edifice and set the Gold Cross on top. The work is progressing according to anticipated schedule, with the entire roof of the Sanctuary and Church School building soon to be completed. The brick-masons will finish their part in the construction in the next several weeks, and the painters have already begun the interior and exterior decorations. This is truly a real Thanksgiving Time for Memorial Methodists and their friends, in thanking the Lord for His continual spirtual strength in the accomplishment of their long cherished dreams, of an enlarged Sanctuary and Church School facilities.
Sunday, Nov. 26th., promises to be another highlight day when the congregation meets, for the two final worship services of November. At the Morning Worship, Estimates of Support, Pledges, Promises and Cash will be received for the Crusade for Christian Higher Education. Every member and friend is urged to be present, The Chapel Choir will furnish specials music and the minister will have for the sermon- "What Our Giving Reveals." Local Laymens and Laywomen will participate in the Services.
The Mens' Chorus will furnish special music for the 6:30 PM Service, and the Message by the Minister will be on the topic: " Giving What We Have;" which will be another in the series on the Life of the Apostle Peter.
Pray for the Crusade for Christian Higher Education now sweeping with increasing enthusiasm over the Commonwealth of Virginia when 351,450 Methodists and their friends are seeking to raise $7,000,000.00 for the enlargement of the Academy and College Facilities, the building and refurnishing of Wesley Foundation Centers at State-Supported Campus, and to [illegible] stone Methodist [illegible] The generous support [illegible] tire congregation, [illegible] lcited.

POSTMASTERS ASK FOR EARLY MAILING

"It's time to start planning your Christmas card and gift mailings," appomattox County Postmasters said today as they launched 1961 "Mail Early For Christmas" Campaign.

Looking ahead to what may be the bigrest Christmas season ever, the Postmasters said further, "Here are the things to watch to help in getting every Christmas card and package delivered before December 25th.

CHECK your Christmas card and gift lists carefully. Be sure each address is complete with FULL NAMES, street and number, city, zone and state. Avoid abbreviations of city and state names.

FOR YOUR GIFT PACKAGES, secure heavy wrapping paper sturdy corrugated cartons, strong cord and adhesive tape. Remember, also, that you can include your Christmas card or letter inside your, gift packages if you will add the appropriate First Class mail stamps to the postage for the package itself.

STOCK UP ON POSTAGE STAMPS - By doing this soon, you'll save lots of time that might be spent standing in line later on. When you go to the post office ask for a supply of labels which read, "ALL FOR LOCAL DELIVERY" and "ALL FOR OUT OF TOWN DELIVERY," so that before you mail your Christmas cards you can sort them into two groups, with the addresses all facing one way, thus expediting delivery."

The Post Office will help you plan your Christmas mailings. Get a copy of Pamphlet No. 2, which gives ful information about proper packaging and wrapping of parcels.

FIRST CLASS POSTAGE IS BEST for mailing your Christmas cards. All cards sent by 4¢ postage may included a personal handwritten message, and they'll be forward or returned, if that becomes necessary. Be sure to put your return address on your Christmas card envelopes. It's socially correct to do this, and enables both you and your friends to keep your mailing lists up-to-date.

Predicting that this year's Christmas mail will set an all time record, the Postmasters pointed out the importance of planning your Christmas mailings now to avoid a lot of headaches when the Christmas rush comes in earnest.

They said further, that through the excellent cooperation of the public during recent Christmas season, he has been able to get all of the Christmas cards and packages dispatched and delivered before Christmas Eve.

"We can all make the 1961 'Mail Early For Christmas' Campaign a big success," They continued, "if we'll all take a personal responsibility in planning our Christmas mailings so that cards and gift packages going to most distant points are mailed by December 10th, and earlier, if possible. Christmas packages for local destinations should be mailed by December 15th, and be sure to mail your Christmas cards, for friends and relatives in this area at least a week before Christmas."
